ESSAY COMPETITION FOR UNIVERSITY STUDENTS

As part of Global Action Week for Education (GAWE) running from 26th April-1st May, we call for current university students to submit essays under the theme **MY EDUCATION, MY RIGHT** which will be awarded on the main event day.

Focus on either of the following:

- Your journey through basic education
- Opportunities available to realize the right to education: How did you get where you are?
- Free Primary Education: How did you benefit from it?
- Perceptions of Public Education as of low quality: What has your experience proved?
